Students wanting to enter the **Doctor of Ministry Degree** program must have completed a Master's Degree.

The Doctor of Ministry Degree offers pastors, missionaries and leaders an opportunity for professional and personal growth.

The student will be equipped for a higher level of competent practice of ministry than that achieved in the foundation work. The candidates are challenged to develop their ministerial skills to refine and articulate a Biblical theology of ministry while in a setting of ministry. The degree is ideal for those who serve the Church in congregational/ pulpit ministries, Para church organisations, mission agencies, and any other vocational ministry setting where advanced leadership skills and training would make a difference.
